GIFTS CHANGE LIVES

2025 Annual Campaign Quick Facts

The 2024 YMCA Annual Campaign:

- Raised over \$180,000.
- Provided more than \$230,000 in financial assistance and program subsidies to members of our service area. Hence, the need is greater than the support.
- Over 2,800 children, families, and adults in Dodge County benefited from the generosity of their friends and neighbors through the Annual "Gifts Change Lives" Campaign.

Our 2025 GOAL is \$180,000

- The YMCA of Dodge County will not turn anyone away due to an inability to pay. Making this philosophy a reality requires the generosity of our community.
- 100% of the funds raised stay within our service area. The Y provides outreach programming throughout our communities in Dodge County.
- The YMCA of Dodge County provides financial assistance for such things as facility memberships, childcare, summer camp, swim lessons, teen leadership and outreach, youth sports, and other YMCA programs. Financial assistance allows less fortunate children to participate in YMCA programs that stress the core values of caring, honesty, respect, and responsibility.
- All contributions to the YMCA of Dodge County are tax deductible.
- Several payment options are available. Simply indicate the billing and payment arrangements you prefer on your pledge card enclosed.
- In addition, you can also make your donation online by visiting our website at www.theydc.org/give.
- Your donation must be received on or before December 31st.

WHY SHOULD I GIVE?

YOUR DUES OPERATE THE FACILITY, BUT YOUR GIFT WILL CHANGES LIVES!

As the nation's leading nonprofit for youth development, healthy living, and social responsibility, the Y uses your gift to make a meaningful, enduring impact right in your own neighborhood. During these challenging times, your support is vital.

Through generous contributions, the YMCA of Dodge County is able to provide financial scholarships that enable all members of the community to utilize the YMCA, regardless of income, to the extent funds are available. We recognize that for communities to succeed, everyone must be given the opportunity to be healthy, confident, connected, and secure.
