Welcome! Bea Bonner McKinstry Begin to Swim Program

BEA BONNER MCKINSTRY BEGIN TO SWIM PROGRAM

**TUESDAY, MAY 27 -
FRIDAY, MAY 30**

FREE AND OPEN TO THE COMMUNITY,
Y MEMBERSHIP IS NOT REQUIRED!
REGISTRATION BEGINS MARCH 3RD
LEVEL DESCRIPTIONS AVAILABLE ONLINE.

THE PURPOSE

One of the primary purposes of this annual program is to provide a no cost opportunity for all children to learn to swim at the Y. Another purpose is to convey the extreme importance for all to learn how to swim at an early age. It is the McKinstry's intent to fulfill these two purposes through the endowment fund and by sharing Bea Bonner McKinstry's personal experience with a swimming related tragedy.

THE STORY

On June 24, 1927, Bea Bonner and two friends were boating on Fox Lake when an unexpected storm hit the lake. In the turmoil of the storm, two men in a boat tried to rescue the girls. Despite attempts to save them, her two young friends and one of the men drowned. It was only because she was a strong swimmer that Bea was able to survive. The message of this tragedy never left Bea. Because of the McKinstry's concern and generosity, an endowment fund was established to benefit all youth, and hopefully prevent such a tragedy.

THE ENDOWMENT FUND

The commitment of Bea Bonner McKinstry to the YMCA of Dodge County and her desire for all youth to learn to swim inspired the establishment of a special endowment fund. In honor of her eightieth birthday in 1989, her husband Randall McKinstry and her son John B. McKinstry created an endowment fund to establish the YMCA's Bea Bonner McKinstry Begin to Swim Program. To this day, John B. McKinstry continues his mother's legacy with ongoing dedication and commitment to the Begin to Swim Program. John's work with the Y has ensured that each year, over 125 youth receive their first swim lessons.

CANDACE WOJAHN START OUT SAFE WATER PROGRAM

MONDAY,
JUNE 9TH

THURSDAY,
JUNE 12TH

THE PURPOSE

This annual program is designed to reduce children's risk of drowning by teaching them basic water safety skills. Held at the Waupun Family Aquatic Center, basic pool rules and water games are also incorporated in this curriculum. It is the intent of the Wojahn Family to provide swimming skills to all area children including those who would not otherwise have the opportunity. Swimming is a life skill that can begin at an early age and last a lifetime.

THE PERSON

Candace Wojahn was a kind passionate woman who grew up in the Waupun area. At an early age she learned how to swim at the Fond du Lac County Park pool and enjoyed it very much. She also loved music, theater, dolphins, and children. She worked at the Waupun Wee Care Facility and McDonald's. She volunteered her time at the Union Congregational Church, helping with Sunday school and in the nursery. Candace also knew challenges having been diagnosed with epilepsy as a teen, and later as a single mother of three daughters. Candace passed away in 2007 due to an epileptic episode. It is in her memory and spirit this program was created.

THE ENDOWMENT FUND

In honor and in memory of Candace, the Candace Wojahn Endowment Fund has been created. This was established by Keith & Carla Wojahn, with the help and support from Candace's siblings Tabitha Bossenbroek and Benjamin Wojahn, along with Candace's daughters Alia and Alyssa Hutchison, and Jorden Wojahn. The YMCA of Dodge County, as a 501c3 organization, will manage the contributions and investments. It is the intent that this fund will be perpetual, serving the Waupun area for years to come. It is from this fund the Candace Wojahn Start Out Safe Water Program is financed. Additional future programs may be developed as funding becomes available.
