## GROUP EXERCISE SCHEDULE

### Queenax Room Classes

**CIRCL Mobility** - Based on the science of functional movement, focusing on flexibility, breathwork, and mobility exercises. Whether you are a fitness enthusiast, busy mom, 95-er, CIRCL Mobility will help you move better, longer. Benefits include: reduce stiffness and tension to feel your best. Speed up recovery while improving balance and focus. Enhance muscle activation and circulation.

**Core & More**- Try out this core workout with our Queenax functional training system. This class targets core muscles you may have never knew existed, while keeping the movements in safe and FUNctional manner.

**HIIT** - In a circuit environment, exercisers move through different stations using a variety of equipment while including high intensity interval training to build strength& stamina and to condition & tone. A full body workout in a fun boot camp environment.

**Lunch WOD**- Join us at lunch hour for a Queenax Full body circuit. Varying multiple exercises per class incorporating the Queenax functional training system while using other components such as barbells, kettlebells, and battle ropes!

**Metabolic Boost** - This goal-orientated program is for the time sensitive exerciser. The superfunctional tri-plex total body workout format encourages fitness gains in a limited time.

**Silver Sneakers Classes** – Join our certified Silver Sneaker instructors and enjoy complete body movements with safe and effective exercises for any ability level. Designed for ages 55+ in mind, but great for anyone wanting low impact, functional, and a safe exercise environment! Classes include: Cardio, Yoga, and Classic.

### Group Exercise Studio Classes

**20/15/10 (Ages 16+)** - Improve your cardiovascular, functionality, and strengthen your core with 20 minutes of high intensity on the bike, 15 minutes of strength and conditioning with Kettlebells and 10 minutes of Yoga/Pilates core work for a full body balanced workout. Burn calories and boost metabolism throughout the day with this complete workout! Registration Required for a Bike.

**New! Block Therapy** - Welcome to the "Fascia Decompression" Block Therapy workshop! Fascia is a connective tissue that surrounds and supports the body's organs, muscles, bones, blood vessels, nerves, and joints. In this 75-minute session, we will explore the principles of Block Therapy, focusing on techniques for decompressing the fascia to enhance mobility, release tension, and promote overall well-being.

**Body Sculpt** - Incorporates cardio, toning and core all in one class. This is typically done in circuit or tabata style sets. All levels welcome with modifications provided.

**Barre Fitness** - Barre workouts are a fusion of yoga, Pilates, strength training, and ballet. Barre classes incorporate specific sequencing patterns and isometric movements that target specific muscle groups. This pattern of exercise helps to improve strength, balance, flexibility and posture.

**Cardio Core** - A blend of low impact cardiovascular workout utilizing an adjustable step and basic strength training with various equipment (dumbbells, stability balls, resistance bands, etc.) A great class to learn different forms of exercise and utilizing different equipment!

**Cardio Circuit** - Keep your heart rate up with functional Tabata like exercises. These functional movements incorporate strength with your arms, legs, and core alike!

**NEW! Fitness Pilates**- Designed to enhance posture, strenght, balance and stability in a group exercise format! Increased flexibility and strength of the lumbar and maintain flexibility.

**Forever Fit** – Stay fit and learn new things with equipment exploration and full body workouts. Designed to be low impact, low intensity, but high volume. Don't be fooled, still starting the day with a challenge to complete. Something new every day.

**NEW! Move Better** – This class incorporates yoga, stretching, and other mobility pieces to help improve range of motion and get you feeling great at the end of the week!

**POP Pilates (Ages 16+)** - A powerful fusion of music, strength, and choreography that takes classical Pilates to the next level. POP Pilates is a dance on the mat that burns calories, increases functionality and changes the pace of traditional exercise!

**NEW! RISE AND GRIND**- Start your day with a fun and energizing workout featuring cardio, core, abs, glutes, and more!

**Strong Nation** – Combine body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every move. Every squat, every lunge, every burpee is driven by the music, helping you make the last rep, and maybe five more!

**Tabata** – Enjoy the fast paced, calorie burning complete workout of Tabata. Series of segments and circuits are used with time to work and short times to rest. Keeping the heart rate up, and the calorie burn to the max!

**Totally Toned** - An intense, energy-filled workout composed of toning exercises using bands, dumbbells, Bodybars, and more. Intervals of cardio exercises will be added to complete the challenge.

**TriFIT** –This high energy class is a total body, heart pumping, aerobic, and strength conditioning workout. The goal is to improve all elements of fitness through a combination of cardio, core, and conditioning routines choreographed to great music. You will experience various styles of aerobics (hi-lo, kickboxing, athletic drills, etc.) intermixed with focused strength and core work to help you achieve total body fitness while having fun! Catered for all fitness levels.

**Vinyasa Yoga** - Find your sequence of steps in this total inclusive full body flow of yoga poses and techniques for a total mind body experience. Anyone from advanced to beginner can benefit from Vinyasa. Find your state of mind!

**Yoga Flow** - This vinyasa-style class is open to all levels and focuses on mindful movement and pairing the poses with breath work. Each class begins with a short meditation and continues with comprehensive movements for the whole body, so participants will leave feeling strong, refreshed, and ready to slay the busy life.

**Yoga Yin-Flow** – This class combines a Vinyasa flow by bringing postures together so that the body moves from one to another seamlessly, using breath. The Yin Yoga targets your deep connective tissues, fascia, ligaments, joints, and bones and holding poses for a longer period of time. It's slower and more meditative, giving you space to turn inward and tune into both your mind and the physical sensations of your body. This class offers two varieties of yoga incorporated into one practice.

**Zumba**- Perfect for everybody and any body! Each Zumba® class is designed to bring people together to sweat it out. A total workout, combining all elements of fitness – cardio, muscle conditioning, balance, and flexibility, boosted energy and a serious dose of awesome each time you leave class.
